

Header:
 -change the logo with the new one
 -Design a new picture please which contains at one view these three elements in one picture:
 1) city elements from Berlin
 2) IT Security
 3) IT Software or Service

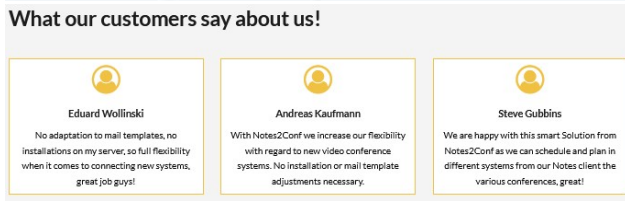

Services:
 containing 3 sections, can stay as it is and you can reuse the images or, if you wish you can design new graphic icons

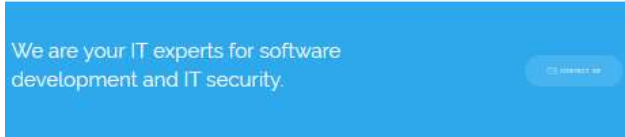

Slider:
 -containing 3 sections, can stay as it is and you can reuse the images from the slider.
 -Only one image for Cyber Security must be replaced with another one, which pronounce better the message of cybersecurity, maybe with a lock or something

Our Products:
 -we need 4 new Images for all 4 Products.
 -we need 4 new logo`s (design by you) for all 4 Products
 -the logo`s should overlay/hover when mouse over the product image

Customers:
 Insert a new section please "What our customers say about us". The info displayed here comes from the page Testimonials. Include also the picture of the respective person.

Footer, should be visible on every Page.

Extend the footer please with our Slogan:
 "We are your IT experts for software development and IT security"
